To all Members

When Indoor Driving was conceived in 1997 the four Directors: Dick Carey, Rob Sims, Philip de Leon and myself, organised events all over the UK. Sadly, Philip passed away after illness, and Rob moved abroad due to his wife's illness. That left Dick and myself to organise Indoors by ourselves, which we did for many years. Three years ago, Dick and I invited some area organisers to join us and form a committee.

Now is the time for an elected Committee to steer our sport into the future and so we are inviting all members to nominate another member to stand for election to the Committee. The Nominee must be a current member (2019-20 or 20-21) and agree to the nomination and the proposer must obtain two seconders (not from the same family) for the Nominee. All Nomination forms to be returned to me before Monday 7th September. The election will be by email and be held and completed before the start of the coming winter Indoor season.

Please return the attached form to me, by email or post, address above, as soon as possible please.
