Carriagehouse Insurance Equestrian Specialists

Telephone: 01206 337388. Open from 9am-5pm, Mon to Fri

Our driving connections mean that we fully understand the world of carriage driving and all the extra equipment that is required. This is why we offer individual quotes for driving enthusiasts and have specialist rates depending on the use to which your carriages and harness are put.

The Carriagehouse Insurance range of policies, coupled with our many years' experience, ensures that we can offer an unequalled service to meet your specific requirements.

Most horse & equipment claims are dealt with in-house and can normally be settled within a few days of receipt of completed claim forms and the associated bills. We offer an instant online quote facility for certain policies. If an online quote is not available, our normal response is to post you a quote 1st class, or you can ring us for a telephone quote. Carriagehouse offers the most reliable and professional insurance service - for your horses, for your donkeys, for your events, for your equipment.... and for your peace of mind.
