

## INDOOR CARRIAGE DRIVING UK - EGM 2022

Extraordinary General Meeting via Zoom – 12<sup>th</sup> September 2022

Chairperson Julia Crockford opened the meeting at 7.30pm

JC Minutes of the previous AGM at Arena UK had been sent to all members.

Dick Carey was in hospital at the time of the Championships asked RB how he was now.

RB (Rita Bundock, Secretary) He is much better than he was, seems his old self again but can get a little confused at times, his mobility is not so good but otherwise he is alright.

JC The purpose of the EGM is to change the time of year for the Annual General Meeting from taking place during the Championships Finals at the end of the season to just before the start of the season possibly in late September. The next AGM would be September 2023. Has anyone any reason not to change the date of any future AGM.

JC Asked for a show of hands, with a everyone the motion was passed.

JC Asked if there were any question on the minutes.

FP (Fiona Powell, Committee & East Anglia) Was talking now allowed in the cones

JC Confirmed this was now allowed, all rules changes were now published and would be confirmed in the organisers meeting.

Thanks to KH the drone P&P test with commentary was now on the website also with a commentary of comments to help the judges. Asked if everyone had seen the video and was it working.
